

HOW TO USE THE PORTMORE UNITED CHURCH WEBSITE

Portmore United Church [PUC] welcomes you to their website. We understand that not everyone might understand how to use the website. But with the aid of this manual we hope that the ministry will bless users.

Upon entering the Portmore United Church website at the URL <http://www.puc.org.jm> users will hit the index page or home page.

Figure 1. PUC Home Page.

Download first

It is recommended that your first plan of action is to download the Adobe Acrobat. This will enable users to view many files especially in the counseling page. PDF are designed to enable easier printing of important documents.

The MENU Options:

To get back to home page select logo
